## M. B. S. F.

### JUNE 2025

Hello!

Bro. Trey Campbell, MBSF Director here.

Greetings from Ruston, LA!

This is the first Quarterly Newsletter for the ministry.

Louisiana Tech is a thriving campus, & Ruston is a city on the grow.

While the school at one time had an MBSF, there hasn't been one for some time.

### DEPUTATION

Upon becoming the Director (on March the 9th of this year), I have been busy :

calling churches connecting with both future & current students, & traveling to present & share about the work.

( Hagan & I had students over for dinner to talk about the ministry!

This will hopefully be the first of several monthly meetings until classes start in September.)

We started with two churches giving monthly support : our sponsoring church Hyde Park & Calvary in Minden.

As of the end of may, we are blessed to also have monthly support from :

**Promise Land of Hamburg  
Old Sarepta of Sarepta  
East Side of Minden  
Landmark of Stonewall**

Several other churches giving one-time love offerings, as well as others prayerfully considering monthly support.

I've also had the privilege of attending several Associational Mission Rallies where the ministry received the meeting's offering. I was even honored to be asked to speak at the Bartholomew Association's May Meeting!

It's only been a few short weeks, but God has truly begun to open doors & bless this work.

### MEETING STUDENTS

In addition to having students over to the house, we've met w/several others from our churches! It's been such a blessing.

### NEEDS

We've looked at a few potential buildings for us to have services in come September, & have met with a number of students to get their opinions about what the ministry can / should be, as well as gained insight on the "vibe" of the campus.

#### **WE'RE IN NEED OF THE FOLLOWING :**

#### PRAYER!

#### CONNECTIONS

(we need help connecting with students, but are also looking to connect with faculty; anyone who could help us get our foot in the door)

#### VOLUNTEERS

(we aim to feed students once a week & are looking for churches to commit to sponsoring a meal once a quarter, either by coming & serving in-person, or providing funds for us to make arrangements)

#### MONTHLY SUPPORT

(as you can imagine, starting a successful college ministry is expensive; a place to meet, promotional material, travel expenses, etc.)

Our biggest needs are somewhere to have services & students to begin the ministry with.

Outside of those, our biggest need is our finances.

#### **OUR GOAL IS TO RAISE \$10,000/MONTH.**

While that sounds like a lot, keep the following in mind :

1. Our God is a Great Big God! He will supply, & we believe that whole-heartedly.
- &
2. This includes funds for us to both enter into a lease, adjust for inflation, & have money in the bank for WHEN we get big enough that we need to build.

IF YOU FEEL LED TO HELP SUPPORT THIS MINISTRY, OUR SPONSORING CHURCH'S MAILING ADDRESS IS :

**HYDE PARK BAPTIST  
709 WALLACE DEAN RD.  
WEST MONROE, LA 71291**

(Hagan & I being welcomed at Hyde Park)
