### MARCH 2026

Hey there!

The ice has melted & the sun is shining on Tech's Campus.

Since December, we've had 3 more Campus Engagement & have had the opportunity to share about the ministry @ several Mission Rallies & Conferences.

We've also completed the Book of Joshua in our Cinematic Bible Study & are over half-way through the Book of Judges

### CAMPUS ENGAGEMENT

In December, we got more direct & asked students,

“How can I be praying for you?”

We also had two pastors join us :

Bro. Cameron Hayes from Calvary in Minden

&

Bro. Colton Kelley from Eastside in Minden.

We were able to have some great conversations!

Several students open up about very real struggles & circumstances.

In January we asked,

“What's something you want to do different this year?”

& finally

In February we asked,

“How do you show love?”

Please be in prayer for these

students, their spiritual life, & that the seeds that have been planted

will begin to take root & blossom into a relationship w/ Christ!
